Dr. YOUNG-KYOON SUH
Scientific Platform Development
Korea Institute of Science and Technology Information(KISTI)

Dear Dr. YOUNG-KYOON SUH,
It is my pleasure to inform you that your above manuscript is accepted
for publication in the IEICE Transactions.

The followings are the future steps to publication.

1. A notification of "Information on Volume and Number" will reach you as soon as the publication schedule is fixed.
2. The galley proof will be sent out to you via Internet around 6 weeks before the date of publication (every 1st of month).
3. Please make corrections (ONLY TYPOS), if any, according to "comments to the author(s)" ON THE GALLEY PROOF to be sent later.
4. An invoice and the reprint (PDF file) will be sent to you separately by email attachment in the beginning of the publication month . You may pay for it by credit card or bank transfer after receiving the invoice.

All titles on the IEICE Transactions are published electronically at

1) IEICE Transactions Online

<<http://search.ieice.org/bin/index.php?category=D&lang=E&curr=1>>2) J-STAGE <<http://www.jstage.jst.go.jp/browse/transfun>>

Please be advised that the copyrights for all articles in the Transactions
published by the IEICE, regardless of the publication medium,
are automatically transferred to the IEICE.

NOTE: The IEICE Transactions on Information and Systems is
an open access journal from January, 2017. As all papers published
in the IEICE Transactions on Information and Systems are accessible
via the J-STAGE (<https://www.jstage.jst.go.jp/browse/transinf/>),
a hard-copy reprint service was stooped from January, 2017.

The author's version of the accepted manuscript will be published online within seven business days for the members of the IEICE.

Please be careful for this publication date, if the authors file a patent about research contents described in the accepted manuscript.

You can upload your accepted paper in the web sites of your affiliation. That may improve the visibility of the paper. In addition, it is recommended that the paper is cited in your oncoming related papers for improving the visibility. See p.13 (Table 3) in the following pdf file for more detail:
